Work underway for Community Scholarship Fund auction

While it seems we've just begun the 2008-09 school year, Germantown Community Scholarship Fund, Inc. is already preparing for graduation! Five new community supporters have joined the volunteer board to prepare for the 2009 Scholarship Dinner and Auction to be held on February 5th, 2009 at The Bear. This is our 24th annual event to raise funds which have generously provided graduating seniors with over \$100,000 in scholarships for continuing education. "Save the Date" post cards will be mailed shortly to approximately 950 past Dinner and Auction attendees. Carol Miller, GCSF President, hopes that upon receiving your post card you will mark the date in your calendar and then pass it on to friends. If you have not attended the Dinner and Auction, you may request an invitation, visit our website at www.germantownscholarship.org. and click on "Invitation Request".

Germantown High School Tech Ed and Art students annually handcraft Adirondack chairs and other wood items to be auctioned off at the Auction and Dinner. Their artistic talents are always handsomely rewarded by the auction bidders. In order for the students to build these wood items Germantown Community Scholarship Fund is asking individuals, businesses and other school organizations to underwrite the cost of one or more items. For each \$175 donation, the supplies for one Adirondack chair or other handcrafted items will be donated to the Germantown High School. For information on how to make a contribution, please contact Carol Miller at 262-628-5644.
